

The Midterm Examination for Master Course Students 2018

Midterm examination for master course students was held on January 10th to 11th, 2019. Our students including international students from the International Program of Frontier Biotechnology gave oral and poster presentations, and were reviewed by our academic staffs.

The selected students had an additional round of poster presentations. Finally, winners of the best presentation award have been selected as follows:

Regular course for M1 students

1st Place: Ms. Yuki YAMAGUCHI

2nd Place: Mr. Kouki KURODA

3rd Place: Ms. Kaori MIYAJIMA

International course for M2 students

1st Place: Ms. Pramesti ISTIANDARI

Congratulations to the award winners !
